Our Company

Est. late 1990s, consolidated early Millennium, Unwined Liquor is privately owned & operated, with hands-on Management & dedicated teams & Partners across Eastern States, TAS & WA.

Over the years, we have nurtured a number of imported & local products, all of which family-owned brands. Core to our distribution are well thought & multi-beverage brands, available via diverse channels throughout Australia. We service bottleshops, wine shops, purveyors of hard-to-find weird & wonderful, drive-thru's, supermarkets, Independent banner groups, national Chains as well as festivals, events, restaurants, bars & hotels in the most intimate & efficient way.

Lately, working alongside online specialists & social interfaces has enhanced new reach to a broader, curious & open Australian consumer.

Our People

Unwined Liquor has a proud team of very experienced, friendly & dedicated staff, complemented by distribution Partners & Agents as well as logistics & warehousing collaterals.

Management consists of street-savvy entrepreneurs, always on the lookout for new opportunities so as to push boundaries to dynamise our offer. Our Sales, Agency & Admin teams share over 140 years of liquor experience.

Our supply partners, both local & from abroad, are all family-owned & operated through multiple generations of brewers, distillers & wine-makers. We have also been open to help recent producers discover Australia through us. As a smaller, more focused distributor, we choose our suppliers & build their brands from scratch, pathing the way to be discovered, whilst providing prompt service & quality supply deliverables to a very diverse channel of clients.

Ultimately, we understand our increasingly multi-faceted & diversely-modelled clients & their broader end consumers.

Our Portfolio

Our Unwined Liquor procurement enjoys finding new gems, so our Sales teams & retailers can tell a story about each & every of our suppliers & their products we proudly represent down-under. Predominantly distributing smaller & start-up brands, we have over time broadened our range, from mono to multi brand to craft segments, introducing boutique beers, small-batch wines & champagnes, & artisan spirits.

Exclusive importer & distributor to most brands, we co-share distribution of other brands with other supply Partners across Australia.

Philippe Fourrier

Smaller, family Estate-growers since 1840s, the authentic Southern Champagne Maison has nurtured their Baroville single vines for 5 Gens. Worth noting historical Cote des Bar being the birthplace of Pinot Noirs.

All 12% ABV Champagnes come in 750ml bottles. Limited Demi 375ml & Magnum 1.5L upon order.

Philippe Fourrier Pinot Noir NVs

Australian fav Brut, **Carte D'Or** is a zero-blend Blanc de Noirs, generously foamed with shimmering bright bubbles, intense nose of complex red fruits & strawberry heads, with hints of toasted almonds. On palate, powerfully delicate & fresh. Aged at least 3y, NV Carte D'Or is for all occasions, structured as cocktail champagne.

Primarily from Pinot Noirs, traditionally-made **Rose de Saignee** Brut has a deeper pink dress, nuanced by bubbly white foam. Nose expresses intense raspberry notes & red fruits bouquet. Aged minimum 3y, the NV 90% Pinot Noir + 10% Chardonnay has a generous palate of ripe red fruits, duplicating its nose with delicate tannin & sweet spice aromas. Minimal Chardonnay blend contributes to subtle freshness & charming length. Perfect spring summer apero.

CHAMPAGNE

Philippe Fourrier Chardonnay NVs

Pinot Noir-driven **Reserve** is slightly atypical, blending 60% Pinot Noir + 40% Chardonnay, both from Cote des Bar. Minimum 4y on lees, this NV Brut has a dazzling yellow robe, with hints of gold and a bright effervescence on the eye. Nose is intense, elegantly combining light toasty white & stone fruits. Palate is pillowy, tart with lasting green apple aromas. Fresh all-rounder.

Typically from the North, most-awarded & sold **Prestige** NV Blanc de Blancs is a 100% Cote des Bar Chardonnay. Effervescent, the creamy 4y Brut shows light golden fine bubbles. Discreet, the nose displays citrus and white fruits. Wonderfully soft, its creamy smooth elegant notes of pear texture evolve to a butter-honeyed finish. Enjoyed with rich savoury or sweet, or selfishly as an apero.

Philippe Fourrier Pinot Blanc NV

Produced from very rare 100% **Pinot Blanc** grapes, unique & original NV cuvee. Pale yellow with gold undertones, the fine & sustained bubbles seduce just as the effervescent aromatic nose, with tropic aromas of pineapple, white peach and grapefruit confirm in the mouth. Fresh & crisp attack on the palate, the full body character restores richness of the nose & the palate. On lees 3y, a well-balanced, light expression of its own kind.

CHAMPAGNE

Philippe Fourrier Vintages

Vintage **Millesime** is a Brut only released from the growers' exceptional years. Pinot Noir driven, this delicious wine is carefully aged at least 6y, medium-dry dosage. Prestigious, it graces sumptuous foam, with golden honey hues colour. Fresh nose flourishes with notes of ripe yellow fruits. Palate creates harmony between slightly toasted aromas and hints of apricot & honey. Finish is extraordinarily pure. Celebrates great moments in life.

Driest **l'Exception** is a Vintage, extra Brut Blanc de Blancs, 100% Chardonnay sourced from 30yo vines. Under oak for at least 6m and carefully aged minimum 5y, the exceptional wine is reduced to lowest dosage in Fourrier's champagne family. It displays a delicate, surprisingly golden colour with fine strands and a creamy foam. Expressive, the nose showcases diverse aromas with hints of yellow fruits & white flowers. Palate is rich & smooth, captivating lingering features of subtle toasty brioche & yellow stone fruits. Perfect for special occasions.

Grande cuvee **Intimiste** intimidates the silkiest of Blanc de Blancs purists. Pure & complex, exquisite head of harvest carefully presses only the juice. Slowly matured min 5yo on lees, including 8m under Oak barrel, this fine Extra Brut shows sustained gold yellow. Its nose delivers notes of white pepper, vanilla spice, before a light woody, candied fruit and honey settle. Palate is fresh & lively, with expressive notes of citrus, grapefruit & pineapple. As expected, finishes generously with finesse & complexity, discovered at the outset from its bold & beautiful designer-styled bottle.

Delmotte Pinot Noir NV

100% Pinot Noir NV from Cote des Bar, **Champagne Delmotte** Brut is a collaborative 3yo Blanc de Noirs. Bright golden yellow, the bubbles are tight and persistent. With a harmonious nose, aromatic notes of white-fleshed fruits drive its expression.

Palate is lively, pleasantly evolving into stone fruit notes of peach & apricot. 12% ABV finishes fresh & subtle spice.

SPARKLING

Las Perdices NV

Originating from Lujan de Cuyo, 1000 above sea-level, 50% Pinot Noir + 50% Chenin Blanc blended **Las Perdices Espumante** displays typical Mendoza Charmat methodologies.

The 13% ABV Argentinian NV Sparkling Brut has aromas of citrus fruits and notes of peach & pineapple. Palate displays delicate fresh green apple, with subtle yeastiness and persistent bead.

PREMIUM WHITE WINE

Mevi, Tapu

Mevi Chardonnay is a typical 100% Chardonnay sourced from Maipu, on the plains of Argentina's Mendoza, sitting at 1000m above sea-level. Showcases complex aromas of tropical fruit, with hints of honey. Well balanced, this 14% ABV lingers its finish.

Mending land, spirituality and its people, **Tapu** merges South Island's NE terroir and its complexity. A tribute to the soil but its maritime exposure. Pale yellow with distinctive green hue, this more acquired **Sav Blanc** has herbaceous characters, denoting gooseberry & tropical fruits. At 12.5% ABV, its complex mineral palate is balanced by tight fresh acidity. Tapu can age slightly.

WHITE WINE

Manta Bay

The Marlborough gem corner of New Zealand's South Island offers balance of extraordinary purity and intensity of flavours set around impressive aroma, distinctive fruit characteristics and well-balanced acidity.

Uplifted from its cool North Eastern hinterland of Marlborough New Zealand, **Manta Bay** is a pale yellow **Sauvignon Blanc**, bursting with flavours of passionfruit & citrus aromas. Its bouquet is fresh, light, overflowing with zesty, bright fruit. At 12.5% ABV, typical and affordable Savvy B better drank fresh.

SUPERIOR RED WINE

Philippe Fourrier, Zorro Y Arena

Over its 5 Gens of wine-making in Southern Champagne Cote des Bar, the Fourrier family has perpetuated tradition of passionate vine and wine-making know-how, transmitted to each generation. On exceptional vintage years, Father & Son produce 'still' red wine extracted from a small parcel of their Pinot Noir Baroville vineyard. The noble grapes come from their oldest 70yo vines. Harvested by hand only, the rare Champagne grapes undergo strict selection process, skin-bleeding and ferment before the Coteaux rouge is aged in Mersault barrels for 1y. Unlike Burgundy pinots, less acidic, more red fruit driven.

2014 & 2017 harvest showed grapes of excellent ripeness and sweetness, ideal for the small batch 11.5% ABV **Coteaux Champenois Pinot Noir**. Very aromatic nose marked by black cherries and hints of spice, its palate is creamy, silky, lively with nice freshness and soft tannins.

Close to sea-level Patagonia, Argentina's **Fincas del Limay's Zorro Y Arena** is a 100% **Pinot Noir** traditional harvest, slow drip-irrigated. Its fruity nose is embellished with caramel spread, vanilla and coconuts. Delicate, the 14% wine is smooth, highly fruity, velvety with a lingering finish.

PREMIUM RED WINE

Bodega, Gauchezco Estate, Mevi

Vinecol **Bodega Red Puro** is a wonderful **certified Organic** blend from hilly La Paz Mendoza. This Argentinian **60% Malbec + 30% CabSav + 10% Bonarda** is aged 6m in French oak barrels, having gone natural malolactic ferment. Aromas of violet and cherry with notes of raspberry, the 13% ABV organic red has a full mouth with silky tannins and great structure.

Certified Organic Vinecol **Bodega Santa Irene** is a typical Mendoza 100% **Tempranillo**. Enduring natural ferment, with no oak, its nose denote cherry, dried figs and cedar, combining intense red & dark fruit. Palate is light, sweet tannins, herbal and spicy flavours carried across.

From Maipu Mendoza, **Gauchezco Estate** 100% Argentinian **Malbec** come from 55yo vines. Part rested in third use French and American oak, the fabulous 13.5% wine has fruity notes of pepper, raspberry, dry fig & raisins. Complex and harmonious, floral violet notes give soft and velvet entry. Firm tannins balance juicy finish.

Mevi's Barricas del Plata draws on its 100% **Malbec**, sourced from Maipu in Mendoza Argentina. Grapes are harvested and fermented with tradition. Berry and dark chocolate nose, 13% ABV wine has a supple, ripe red fruity palate.

Ha'Penny Bridge

Ha'Penny Bridge is the best known of Dublin's bridges. Why Ha'Penny, because until 1919 a 'half-penny' charge was needed to cross over to Temple Bar when many a glass of red poured. Owned by an Irishman, no wonder this Margaret River wine is named after the iconic Irish river bridge.

With a subtle structure of French oak, full-bodied **Ha'Penny Bridge Cabernet Sauvignon** has a hint of mulberry & chocolate flavours. The minty cabernet lifts the front palate, rounded out mid-palate by the soft fruity notes leading to a lingering finish. The elegant 13.5% wine is enjoyed young whilst improving with slight cellaring.

Ha'Penny Bridge Shiraz is a robust, attractive wine with deep colour and hue. On the nose, dark berry characters prevail. Smooth, palate shows ripe tannins supported by dark chocolate characters with great length in mouth. The 13.5% ABV is an elegant and approachable wine, great for charred food pairing.
